BNYM specified that in the context of this new set-up for sanctions screening, the shareholders’ personal data will be visible to employees of BNY Mellon - USA only on temporary basis before being deleted.

In a general manner, please note that you will find detailed information with respect to the processing of the personal data of the Fund’s shareholders carried out by the Fund in its capacity as controller in the Investor Privacy Notice made available to you at the same time as the present notice related to the sub-outsourcing.
